Mr. Luis Hasbun

New Orleans, LA 70130

Dear Mr. Hasbun:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request number (GSA-2015-000133), dated November 5, 2014, in which you requested "a list GSA lessors who own property ranging from 50,000 sq.ft. and upwards for one of our agents who is trying to lease a building to an undisclosed government agency."

Please be advised that GSA posts information for its entire inventory on line, but does not track lessors' property profiles. GSA leased inventory information can be found on our web site at <http://www.gsa.gov/portal/content/101840>. Additional, redacted lease documents and information can be found at <http://www.gsa.gov/portal/content/156807>. GSA does not collect data on the entire building square footage, rather the size of the lease.

Although this is not a denial of your request, you do have the right to appeal the adequacy of GSA's search regarding the information requested for which GSA did not find responsive records. To do so, you must write within 120 days of your receipt of this letter to:

U.S. General Services Administration  
FOIA Requester Service Center (H1C)  
1800 F Street, NW, Room 7308  
Washington, DC 20405

Your appeal should contain a brief description of the reasons why you believe GSA should have the requested information. Both your appeal and the envelope should be marked "Freedom of Information Act Appeal."

This completes our action on this FOIA request. Should you have further questions, please contact Mr. Kenneth Schelbert, Division Director, Office of Leasing, Public Buildings Service, at (202) 501-1109.

Sincerely,

*Travis Lewis*
